SCHOOL REMINDERS

INCLEMENT WEATHER

Severe weather could cause for our school to close. It is our policy to keep the school open unless safety would be compromised.

SSA follows the Round Rock ISD for any school delays or closings. Please watch

the news for any information. We will keep our Facebook page updated with any changes with the opening and closing of Shining Stars Academy. We will also send messages through the parent app. We encourage all our Families to please like our Facebook page and to make sure that your parent app is set up on your phones.

In the event of a school delay always call the center to make sure staff have arrived before you attempt to leave your home.

WEAR RED OR PINK ON TUESDAY 2/14

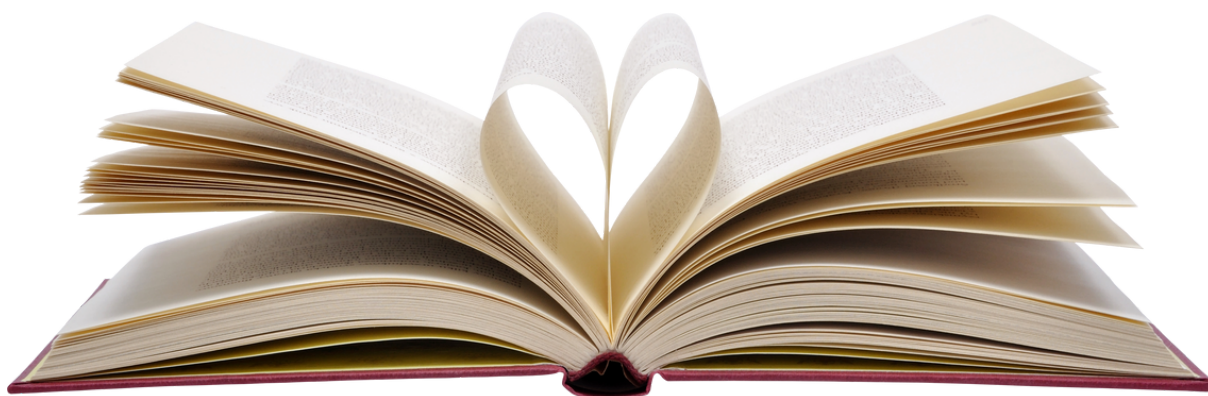

We would love to have all of our students and staff wear **red** or **pink** on Tuesday, February 14th in celebration of Valentine's Day! See the next page for more details about how we will celebrating the holiday of love!

love

for literacy

This year we will be doing a **BOOK EXCHANGE** in lieu of paper valentines!

We are asking every student to bring a children's book, new or used, wrapped in Valentine flair. During Valentine's parties, students will exchange books with other students! We are hoping to help foster a love of literacy and have kiddos be excited about the book they get to come home with!

Be sure to check with your teacher to see if there is a sign up sheet to bring goodies!

SCHOOL UPDATES

We here at Shining Stars Academy know that there have been many changes at our school recently. We just want to take a moment to say *THANK YOU* for your patience and grace as we grow. From staff changes to kitchen renovations to new food rules... we know it has been a lot. Our goal is to provide consistency and routine for your child[ren] as we know it's best for their development and providing security.

PROGRESS ON BECOMING A TEXAS RISING STAR SCHOOL!

With that being our goal, we announced last month that we are in the process of becoming a Texas Rising Star school through the state of Texas. If you missed it, TRS Schools that are TRS certified are in a better position to positively affect the physical, social-emotional, and cognitive development of children with extensively trained and educated staff. We are still in the beginning stages, but we are meeting with our state representative next month with all of our staff to start the substantial and valuable training. We hope you're as excited as we are for this new chapter for our school!
