## SICK SEASON PROTOCOLS

As you may have seen on the news recently, sick season is in full force, particularly the Flu. It is important to remind your children that the best way to prevent illness is through good hygiene and proper hand washing.

As parents and guardians, we ask that you please keep your children home when they are symptomatic. We know this can be inconvenient to miss work, but for the safety of our students and teachers we ask all sick children stay home. Please see pages 33 and 34 in our handbook for more information.
